**SYMPTOMATIC OR STAFF AT SCHOOL DECISION GUIDE**

**SELF-Screening at Home**

First thing in the morning, the parent/student or staff do the School Self-Screening tool and follow prompts.

**Staff**

- Staff leaves to isolate at home. Asymptomatic household contacts of this staff (children) can continue to attend school & monitor for symptoms until test results are known.

**Student**

- Student goes to isolation room.

**Studnet or Staff Become Ill at School**

- Staff/student tested for COVID-19

**Yes**

- Individual with symptoms self-isolates at home. Household contacts should monitor for symptoms.

**Positive**

- Individual with positive test result remains in isolation and follows Hamilton Public Health Services guidance. Individual cannot attend school for at least 14 days. Household contacts need to self-isolate at home and follow public health guidelines.

**Negative**

- Individual with symptoms needs to isolate until without symptoms for 24 hours. Household contacts should continue monitoring for symptoms.

**Return to School**

- Test result received.

- Student gets picked up to self-isolate at home. Asymptomatic household contacts of this student (siblings, parents, etc.) can continue to attend school & monitor for symptoms until test results are known.

**No**

- Individual with symptoms must self-isolate at home for a minimum of 14 days and be without symptoms for 24 hours before returning to school. Household contacts should monitor for symptoms.

- Individual with symptoms needs to isolate at home until without symptoms for 24 hours.

- Individual has alternative diagnosis provided by health care provider.
